

TRAVERSE™ An open and airy collection, the TRAVERSE tables are an elegant combination of steel, wood and tempered glass. The lower shelves features an alternating grain pattern that echoes the pattern of the intersecting steel frame. Available in three finishes, TRAVERSE beautifully coordinates with BDI's most popular home theater collections.

TRAVERSE™

- The intersecting steel framework echoes the alternating grain pattern of the wood shelf.
- Both the glass top and wood shelf are securely attached to the steel frame.
- These attractive tables coordinate beautifully with BDI's most popular home theater collections.
