Be sure to check all packing material carefully for small parts, which may have come loose inside the carton during shipment.

#### Note:

1. Unpack, Inspect and read assembly instructions: lay out component parts.
2. Identify parts using components list for reference.
3. To prevent possible scratches or damage, assemble Table upside down on a soft surface such as a blanket or carpet.
4. Attach the four Metal Legs (H) onto the Top (F) using two 1-1/2" long Allen-head bolts (A), Spring washers (B) and Flat washers (C) as shown. Do not tighten until after next step.
5. Carefully attach the Bottom Shelf (I) to the four Legs using four 1" long Allen head bolts (E), Spring washers (B) and Flat washers (C) as shown.
6. Tighten all the bolts using the supplied Allen Wrench (D).
7. Carefully turn table upright and install the Glass Top (G) into the table top.
8. If required, the floor glides that are screwed into the bottom of each leg can be adjusted to compensate for any unevenness if flooring or the table.
