

ASSEMBLY INSTRUCTIONS: 32" AND 39" HIGH COMPUTER STAND (32/39 CS)

HARDWARE			
	QUANTITY	PART NUMBER	DESCRIPTION
	8	1010588	5MM SHELF SUPPORT
	18	1010609	MINIFIX STUD

INSTRUCTIONS

1. Install minifix studs in all holes that are circled.
2. Lay left end on a clean, scratch free surface.
3. Install back by sliding onto minifix studs and locking into place.

4. Install top using the same methods.
5. Install bottom.
6. Install shelves in desired location.
7. Install right end.
8. Turn computer station upright.
9. After turning cabinet upright, pull out keyboard tray slides. Place keyboard tray onto tabs and screw it down using hardware provided with the tray.
10. Install adjustable shelf.
