Era Oak
Rectangular
Dining Table

The Era Collection

Combining high gloss laquer and select oak veneers, the Era Dining Table features a self-contained extension leaf that operates via a retractable top on ball-bearing glides; the leaf has a "butterfly" mechanism that allows full concealment when not in use. Clever. Functional. Beautiful. And of course, the value that has made us famous.

Era Rectangular Cocktail Table

ABOUT ERA

- Cabinets and Tables are in Cappuccino High Gloss Lacquer and select Oak Veneers, with a durable lacquer finish that cleans easily with a damp cloth or towel.
- Dining Table features self-contained extension leaf that operates via a retractable top on ball-bearing glides; the leaf has a "butterfly" mechanism that allows full concealment when not in use. The leaf has a retractable skirt that matches the top.
- Coffee table features storage inside the base; top retracts on ball-bearing glides.
- Doors and drawers feature soft, self-closing glides.
- Storage cabinets have LED lighting.
