

To Install Linen Tower:

Model: VT1965, VTB1965 and VTG1965

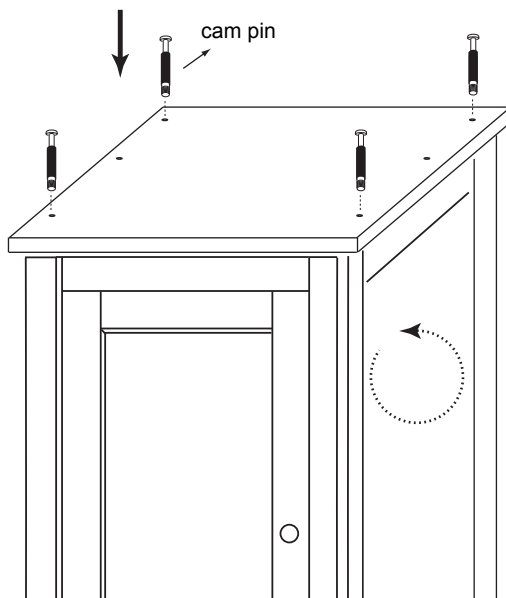

Step 1:

Insert wood dowels into holes on top of cabinet frame.

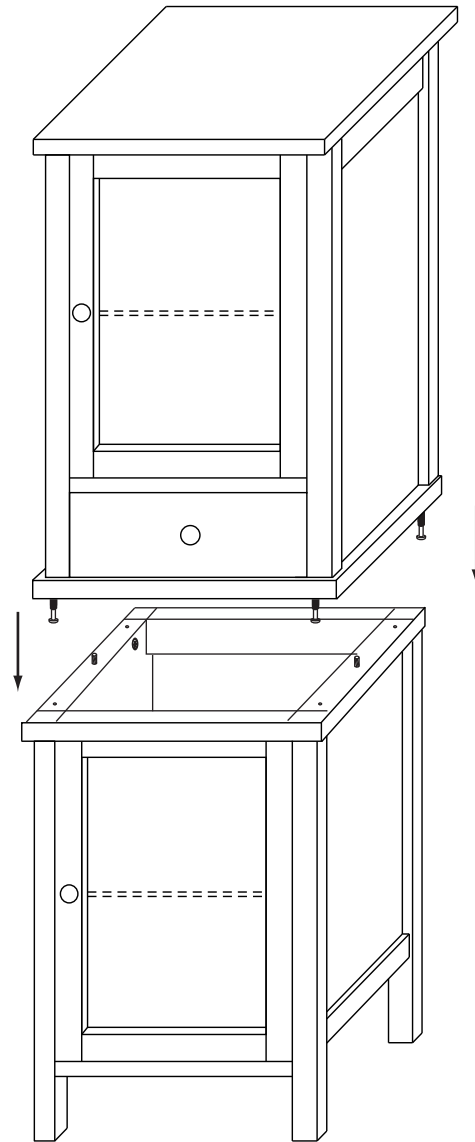

Step 2:

Turn top hutch upside down and screw in cam pins in screw holes.

Step 3:

Turn top hutch right side up, align pins and dowels and set top down into cabinet.

Step 4:

Open the door and using screwdriver, turn cam-lock clockwise until tight.
