

## *Vaetwerk*

Bringing back the basics of food-preparation to our modern kitchen: the jug, the bowl and the cooking pot. Pre-industrial archetypes, plain and strictly functional, to connect us to our origins. The handmade character of medieval ceramics is accentuated by making the pots robust and rough and by showing my finger marks clearly

***Cleaning Instructions***

Apply a little diluted washing-up liquid with a wet sponge, submerge in clean water and rinse. Allow to drip dry. For tough stains Moooi recommends using a washing brush with gentle bristles. Rub with a little diluted washing-up liquid until the stain disappears. Moooi recommends always reading the label of any cleaning product you wish to use on or near any item from the Moooi collection. For further information on how to clean this product please contact your nearest Moooi agent or dealer which can be located via our website.
