## Main dimensions

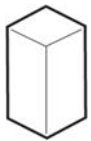

---

## Technical

Once all the packaging has been removed and the carpet has been positioned, it is possible that the corners may curl. Moooi recommends weighting down the corners safely until the carpet has relaxed. Please take care not to trip or fall.

***Cleaning Instructions***

Carpets from the Moooi collection can be vacuum-cleaned and/or swept with a soft hand brush. For stubborn stains we recommend that you **DO NOT** apply harmful cleaning products but to dry clean or treat with a gentle fabric washing powder and a soft cloth. Lightly dab at the area until the stain has been completely removed. Moooi always recommends reading the label of any cleaning product you wish to use on or near any item from the Moooi collection. For further assistance on how to clean this product please contact your nearest Moooi agent or dealer located via our website.
