Trim / Whirlpools

Whirlpool Trim / Standard

When whirlpool packages are ordered, the trim typically matches the tub color. The trim in whirlpool packages includes:

- On / off control or Keypad Trim* (if so equipped)
- Air-volume control
- Suction cover
- Jet escutcheons
- Jet escutcheons
- Fill-Flush® / Simple Touch® filler cap (if so equipped)

Whirlpool Trim / Optional*

Optional trim kits for the various whirlpool packages are available in Chrome, Brass, Brushed Nickel, Oil Rubbed Bronze† and Polished Nickel. Pricing for these optional trim kits is specific to each tub and is included in each tub's specification / price sheet.

Whirlpool Trim / Special Finishes*

Optional trim kits are also available in Special Finishes. Submit a sample of your selected finish and MTI will closely match it.

See specific tub model specification / pricing page for part number and price. Allow 2-4 weeks lead-time for Special Finishes.

NOTE: Depending on the color and package ordered, not all trim items may be available to match.

*For Classic Series and Designer Series tubs, keypads with trim are available ONLY in White, Bone, Biscuit, Chrome, Brass and Brushed Nickel. However, Designer Series tubs with any Aria Elite package receive capacitive keypads, which have no surrounding trim.

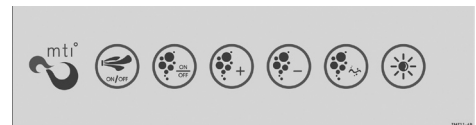

†Oil Rubbed Bronze finishes vary from manufacturer to manufacturer. MTI has selected a finish that is compatible with many available. If an exact match is desired, submit a sample and MTI will match it. Special Finishes upcharge will apply. Not available for air baths.
