

The Oversized Roll-Out protectors may be used in place of the standard roll-out protectors provided with all Jumbo 2000 mounts to provide a more secure fit. For TV's with side mounted speaker for example, the longer roll-out protector will ensure that the protector can securely grip the TV cabinet rather than the speaker.

#### Features:

- Heavy gauge cold rolled steel construction.
- Scratch resistant black or silver fused epoxy finish.
- Plastic sleeve on roll out protector protects TV cabinet.
- Provides 4.25" to grip front of cabinet.

Oversized Roll-out Protector

Plastic sleeve

All dimensions: inch (mm)  
unless otherwise specified

| Weight           | Shipping Weight |
|------------------|-----------------|
| .3 lb<br>(.1 kg) | 1 lb<br>(.5 kg) |

#### ARCHITECTS SPECIFICATIONS

The Oversized Roll-Out Protector shall be a Peerless model \_\_\_\_\_ and shall be located where indicated on the plans. It shall be constructed of heavy 12 gauge cold rolled steel. The finish shall be scratch resistant black or silver fused epoxy. Assembly and installation shall be done according to instructions provided by the manufacturer.
